LOCAL AND GENERAL

There will be a regular meeting of members of Theodore Roosevelt Camp No. 1, U. S. W. V., in the Bungalow at 7:30 o'clock tonight.
David Kaneole last night fell two stories from the second floor lanai of a tenement on South street below Halekuanila and sustained only minor bruises about the body. He was drunk.

Rev. D. C. Peters will continue his lectures on "Man and Church" at Cooke Hall, Y. M. C. A. building, on Sunday afternoon, commencing at 5 o'clock. His subject will be, "What is a Man's Duty to His Church?"
Although it was at first thought the repairs to the smokestack of the Kaimuki pumping station would be completed yesterday, the pump will be closed down today in order to have the work finished satisfactorily.

Former United States Attorney General Wickersham and party departed in the Siberia for the Orient last evening after an enjoyable stay in Honolulu of two weeks. He said he was sorry to leave the hospitable shores of Hawaii.

Mr. and Mrs. F. Homer Curtis will give their final lectures at the Empire Theater on Sunday morning, and at the Kiloheana Club on Sunday evening, under the auspices of the "Home of Truth." Mrs. M. M. Hunter-Jones, ministrant.

Nicholas Tayan, a Russian, working at Waimanalo, yesterday afternoon attempted to open a cartridge to extract the powder, when it exploded, and the bullet lodged in his hip. He was taken to town by a Japanese chauffeur and sent by the police to the Queen's Hospital.

A special meeting of the Kapahulu Improvement Club will be held at 3 o'clock tomorrow afternoon, at the residence of John A. Bortfeld, Gazette avenue, near Diamond Head road. All residents of the district are requested to attend, as business of great importance is on the slate.

President A. F. Griffiths of Oahu College will, during the month of April, lead the Adult Bible Class which is being held in the auditorium of Central Union Church. This class is open to both men and women, and during the next four Sundays this hour will be made especially helpful by the new instructor.

Defendant's answer to a suit brought by one of the heirs of the estate of the late Charles A. S. Hartwell against A. W. Carter, executor of the estate, was accepted yesterday in the circuit court. It is alleged by Castle & Withington, attorneys for the prosecution, that the defendant's denials are "evasive, sham and insufficient."

The recent proposal of the promotion committee to have the other islands co-operate with it in securing greater publicity for Hawaii, has been favorably met with on all sides. The question will be presented to the Hilo Board of Trade by Doctor Elliot, while J. N. S. Williams will speak on the matter before the Maui Chamber of Commerce.

At the meeting of the promotion committee yesterday afternoon, a partial reorganization of that body was made in order to more fully systematize the work. An auditor and vice-chairman were added to the number of officers, the list now standing: F. L. Waldron, chairman; B. von Damm, vice-chairman; J. T. Warren, auditor, and H. P. Wood, secretary and treasurer.

The four men indicted by the federal grand jury yesterday for alleged opium smuggling will be given opportunity to plead guilty or not guilty to the charge Monday afternoon at 2 o'clock in the United States district court. The accused—Alexander Diaz, Antonio Garza, George Madsen and Irwin Berg—apparently intend to fight their cases, as all have employed attorneys to defend them.

The promotion committee has received a relief map of the Hawaiian Islands which was prepared by C. D. Wolcott, director of the United States geological survey, and modeled by Edwin F. Howell. The map is an excellent piece of work, showing the islands in a much more clear manner than other relief maps of single islands. The principal feature is the location of the volcanoes, forests and lava flows, which will greatly add to the addition of meteorological data, which Secretary Wood hopes to have done.
